tick, tock, tick, tock, tick, tock, tick, like the drip, drip, drip of the rain-drops, when the

summ-er shower is through, so a voice with-in me keeps re-peat-ing, You, You, You. Night and

day, night and day you are the one, the one. On-ly you be-neath the moon and un-der the

sun, un-der the sun, Wheth-er near to me or far, it's no mat-ter where, I think of

you, night and day Day and night, that this long-

-ing for you foll-ows where-ev-er I go. In the roar-ing traf-fic's boom, in the

sil-ence of my lone-ly room I think of you, night and day, night and day, night and

day un-der the hide of me there's an oh such a yearn-ing burn-ing in-side of me, and its

tor-ment won't be through till you let me spend my life mak-ing love to you and

night, night and day, and day, day and night, night and day.
